

Καλησπέρα σας,

Κατόπιν της τηλεφωνικής μας επικοινωνίας, σας στέλνω την περιγραφή της εταιρείας μας καθώς και την αγγελία για την Internship θέση που ψάχνουμε.

Technature is a data driven full funnel marketing agency that combines cutting edge performance techniques and best in class creative production to drive real results. So we're looking for creative graphic designers and designers for Social Media to join the Team.

Graphic Designer (Internship)

We definitely need a team player. Someone who would work collaboratively on different kinds of projects. We are searching for someone who is open to new ideas, different opinions and not afraid to restart after experiencing failure. Are you a creative person? Do you love working with a creative team on print and web design projects? Do you stay in touch with contemporary design trends? If you find yourself answering yes to the above questions, we want to work with you!

Experience

We are looking for a graphic designer with a genuine passion for design. Having a portfolio of projects from previous jobs is a plus!

Required Skills

- Fresh ideas
- Creativity
- Open mind
- Adobe Suite (Photoshop, InDesign, Illustrator, etc)
- Familiarity with HTML, CSS & Javascript will be considered a plus
- Excellent understanding of Responsive Web Design will be considered a plus
- Experience working with Wordpress will be considered a plus
- Freehand and illustration skills will be considered a plus

Benefits

- Inspiring and challenging projects
- Growth opportunities
- Bonus opportunities
- Excellent working environment

If you are interested in working with us, please send your **CV** to career@technature.gr
